## The Cambridge Guide to Literature in English

This illustrated and fully updated third edition is the most authoritative and international survey of world literature in English available. Covering everything from Old English to contemporary writing from all over the English-speaking world, the new edition has been brought completely up to date with more than 280 new author entries, most of which are for living authors. The general reader will find the volume a fascinating reference to browse through and to discover many new writers and works, while students will find it an invaluable resource for daily use. Previous Edition (1994) 0-521-44086-6
