Essentials of Understanding Psychology, 9th Edition Robert S. Feldman

Your students are individuals. Do your teaching materials treat them that way? Feldman's *Essentials of Understanding Psychology* does. From an adaptive diagnostic tool that provides a GPS for learning to a reader-friendly modular organisation, Feldman ensures that every student gains a better understanding of psychology.

Its new groundbreaking adaptive diagnostic tool generates a personalised study plan to help students “know what they know” while guiding them to understand and learn what they don't know through engaging interactivities, exercises, and readings. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

The thoroughly revised Ninth Edition continues with Bob Feldman's accessible pedagogy, hallmark research, and focus on diversity in a flexible modules-within-chapters format.
