Private Pilot Single and Multiengine PTS in one book! Improved layout in high quality soft cover book format. The Private Pilot Practical Test Standards is to be used by the student pilot and examiner in conducting a private pilot checkride. Both the examiner and the pilot should completely understand the Private Pilot PTS. This guide indicates exactly what should be evaluated during the checkride. Too often private pilots are not familiar with what is in the Private Pilot PTS. This often can lead to a failure of the practical test. It is not a mystery what the FAA examiner will evaluate during the practical test. It is all explained in the Private Pilot Practical Test Standards. Elite Aviation Solutions has reprinted the FAA Private Pilot PTS for easy study by student pilots. Taking time to review this book will not only help a pilot pass the practical test but will help the pilot understand their training up to the checkride
