As gas prices and electric bills soar through the roof and the pain at the pump makes paralyzes us with fear. This book extends a measure of hope to those that seek an alternative to the day to day grind of mindless price hikes and energy blow outs of political connivance. This book was researched and tailor made to explain and explore all the rudimentary measures necessary for survival during prolonged periods of uncertainty. If the power goes out, look no further than the sun. If your car runs out of gas, there is something new to put in your tank.

Read this book and free your mind and your wallet.
