Many of the millions who read their daily horoscopes want a better understanding of astrology--and here is the perfect, comprehensive, and great looking guide to teach them. Written by one of the world's most popular contemporary astrologers, and filled with magnificent illustrations, it covers both traditional and modern forms in a way that beginners can easily understand. The zodiac, elements, qualities, polarities, planets, house, and aspects all receive detailed attention, along with advice on putting it all together and creating a chart. There's plenty of practical guidance for every aspect of life: on how to live in harmony with a particular zodiac partner, identify the career that fits an astrological personality, and use astrology to recognize health problems and find appropriate remedies.
