## **We Love Butterflies!**

Butterflies are stunning insects, among the most delicate creatures on earth, and they serve a vital purpose that supports all life on Earth.

### **Did you know that...**

- butterflies begin life as something completely different.
- butterflies don't eat food the way we do
- butterflies have special receptors at the ends of their antennae and on the bottoms of their feet
- some butterflies migrate over two thousand miles in order to stay in a warmer climate all the time.

Learn all this and so much more in this amazing picture book that is sure to capture the attention of young children and encourage them to learn and explore animals' lives in the wild and in captivity! This educational book is truly a must have collection to any bookshelf, library, classroom or eBook reader.

Primary school teacher and busy mom **Ellie Potter** believes strongly that the best way for children to learn new things is by playing games and having fun, but most importantly, by creating opportunities for them to use their imagination. Her commitment to education together with her extensive teaching experience find expression in her informative and fun-filled Educational Animal Books Series.
