Cook's Country 2008 Editors of Cook's Country

Perfect for long-term reference, the Cook's Country 2008 Annual contains all six of the 2008 issues bound in one sturdy plaid-covered edition. Bound inside you'll also find an invaluable 2008 Recipe and Article Index to help search a year's worth of test kitchen recipes and cooking information- fast! The Cook's Country 2008 Annual is loaded with more than 250 easy, weeknight, home-style recipes - including Easy Skillet Pizza, Grilled Beef Tenderloin, the Best-Ever Pork Cutlets, Icebox Oreo Cake, and Berry Streusel Pie - all obsessively tested and retested by our test cooks (as many as 50 times!) until each recipe is foolproof and perfect. In 2008, Cook's Country tackled and solved cooking problems that have plagued some of our favorite everyday foods. For the Ultimate Garlic Roast Chicken, we developed a quick and easy technique that penetrates the chicken with a triple dose of roasted garlic. To keep Crispy Sweet Potato Fries crisp not soggy, we coated them with two surprising ingredients before frying (plus adding club soda to the cornstarch coating prevents it from clumping up in the fryer). For bright clean lemon flavor, our Lemon Sheet Cake swaps out some of the milk in the cake batter with freshly squeezed lemon juice, grated lemon zest, and buttermilk for extra tang. We performance-tested a wide range of kitchen equipment, without any preconceived notions equating price to quality - and got eye-opening results that can save you substantial amounts of money. You'll also find a year's-worth of results from our blind taste tests of supermarket ingredients, including elbow macaroni, jarred hot salsa, and Dijon mustard. Featured Discoveries from 2008 include: We boosted the deep apple flavor in our Cider-Braised Pork Chops by foregoing apples and using this secret ingredient. Does the best microwave popcorn come from a bag or a bowl?

From reader reviews:

Douglas Henry:

In other case, little men and women like to read book Cook's Country 2008. You can choose the best book if you appreciate reading a book. As long as we know about how is important some sort of book Cook's Country 2008. You can add knowledge and of course you can around the world by way of a book. Absolutely right, due to the fact from book you can recognize everything! From your country until finally foreign or abroad you will end up known. About simple factor until wonderful thing you could know that. In this era, we could open a book or maybe searching by internet system. It is called e-book. You should use it when you feel bored stiff to go to the library. Let's examine.

Herbert Willams:

This Cook's Country 2008 is great e-book for you because the content which can be full of information for you who else always deal with world and get to make decision every minute. That book reveal it information accurately using great arrange word or we can say no rambling sentences included. So if you are read this hurriedly you can have whole facts in it. Doesn't mean it only will give you straight forward sentences but difficult core information with beautiful delivering sentences. Having Cook's Country 2008 in your hand like having the world in your arm, information in it is not ridiculous a single. We can say that no e-book that offer you world inside ten or fifteen moment right but this e-book already do that. So , this is certainly good reading book. Hi Mr. and Mrs. hectic do you still doubt that will?

Matthew Ibarra:

As we know that book is essential thing to add our information for everything. By a guide we can know everything we wish. A book is a list of written, printed, illustrated or blank sheet. Every year was exactly added. This e-book Cook's Country 2008 was filled about science. Spend your extra time to add your knowledge about your science competence. Some people has different feel when they reading some sort of book. If you know how big advantage of a book, you can feel enjoy to read a publication. In the modern era like right now, many ways to get book that you just wanted.

Stephany Garcia:

As a pupil exactly feel bored to be able to reading. If their teacher questioned them to go to the library or to make summary for some publication, they are complained. Just small students that has reading's internal or real their hobby. They just do what the instructor want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Cook's Country 2008 can make you sense more interested to read.
