The Ambassadors: (illustrated) Henry James

The Ambassadors, considered by Henry James to be his best work, is a dark comic novel of self-discovery delivered within the confines of James' favorite theme: American innocence meeting with European experience. The formidable Mrs. Newsome, a middle-aged widower concerned that her son Chad may have become involved with the beguiling Madame de Vionnet, a woman of dubious reputation, dispatches her "ambassador" Strether from Woollett, Massachusetts to Paris to retrieve him. But when Strether encounters unexpected complications, Mrs. Newsome decides that she must send a second envoy to confront her wayward son.
