The Health Care Policy Process

Carol E Barker

The Health Care Policy Process Carol E Barker

The Health Care Policy Process enables the reader to develop a clear understanding of the scope and objectives of health policy studies, to analyze the extent to which policies can be changed or influenced by those involved at the different stages of the policy process, and to assess both the need and the scope for change. The author considers the relationship between planning and policy, looks at key concepts in analyzing health care issues, and examines some of the debates overshadowing today's health policy agenda.
