Basic Christian Doctrine John H. Leith

Based on his years of experience as a pastor and seminary professor, John Leith's *Basic Christian Doctrine* provides a brief but comprehensive statement of Christian faith for contemporary Christians. Leith draws from the theologians of the ancient church and affirms the faith of ancient creeds: the Apostles' Creed, the Nicene Creed, the Chalcedonian Definition and the Athanasian Creed. He asserts that we now live in a period of religious revival where Christian faith is persuasive--it is the gospel that heals the bruised consciences and wounded spirits of human beings.
