Echo Park (Spanish Edition) Michael Connelly

Harry Bosch tiene la oportunidad de reabrir un caso en el que trabajo en el pasado y que habia quedado sin resolucion; se trata del asesinato de Marie Gesto, una joven desaparecida anos atras. Bosch tuvo siempre el presentimiento de que nunca encontrarian con vida a Gesto y cuando las circunstancias le forzaron a cerrar el caso, se quedo con la desagradable sensacion de haber dejado escapar al culpable por obviar un detalle de la investigacion. Por ello recibe, entre esceptico y aliviado, la confesion de un hombre que alega estar detras del asesinato de la joven. Las circunstancias que envuelven el caso son atipicas dado el interes de un politico por llegar a un pacto con el presunto culpable. Arguye que resultaria beneficioso para ambas partes: el detenido detallaria que paso con otros casos irresueltos cuya autoria se atribuye, evitando as la pena de muerte. A Bosch no le gusta la propuesta, pero no puede reprimir su deseo de cerrar un caso que le ha inquietado durante anos. Su intuicion no le engana: se trata de uno de los casos mas complejos de su carrera.
