Unspeakable Things: Sex, Lies and Revolution

Laurie Penny

Unspeakable Things: Sex, Lies and Revolution Laurie Penny

Shortlisted for the Green Carnation Prize 2014

Smart, clear-eyed, and irreverent, *Unspeakable Things* is a fresh look at gender and power in the twenty-first century, which asks difficult questions about dissent and desire, money and masculinity, sexual violence, menial work, mental health, queer politics, and the Internet.

Celebrated journalist and activist Laurie Penny draws on a broad history of feminist thought and her own experience in radical subcultures in America and Britain to take on cultural phenomena from the Occupy movement to online dating, give her unique spin on economic justice and freedom of speech, and provide candid personal insight to rally the defensive against eating disorders, sexual assault, and internet trolls. *Unspeakable Things* is a book that is eye-opening not only in the critique it provides, but also in the revolutionary alternatives it imagines.
