From the Publisher

Tom and Nita Horn are at the top of the game and at the top of the list among conservative Christian ufologists. Perhaps as much as anyone, the Horn's are routinely called upon to answer the question – what are UFOs/aliens from a biblical perspective? The Horn's have appeared as experts on UFO Cults and related End Times prophecy in media around the world, including Pat Robertson's "The 700 Club" and Art Bell's "Coast to Coast." In 2002, after writing the bestselling Huntington House book, *The Gods Who Walk Among Us*, Tom and Nita were invited to serve as national spokespersons for Cloud Ten Picture's UFO-related film "Deceived," starring Louis Gossett Jr. and Judd Nelson. (D. James Kennedy, Ph.D. of Coral Ridge Presbyterian Church said of *The Gods Who Walk Among Us*, that it set forth "a timely and important lesson and came a long way in helping to correct the dangerous drift into a New Age mentality.")
