Hearken (Daughters of the Sea #4) (Volume 4) Kristen Day

When the evil you fear is born from within, who will save us...from ourselves? Sometimes our souls hear what our minds and hearts refuse to accept. It will whisper its continuous cadence until we're strong enough to glimpse the truth. But when the soul's whispers morph into screams, we're forced to gaze into the mirrors of time and see ourselves for who we really are. Grappling with her newfound leadership position, Stasia begins to experience a recurring nightmare of murder, as well as curious reveries about a violet-eyed girl who can control the moon. When tragedy grips the Tydes and several important relics are stolen from the Sons of Daimon, Stasia's Council leaves for the forgotten island of Atlantis. Unfortunately Atlantis harbors its own secrets, and they are all calling to Stasia. As her nightmares become worse and she begins to lose control of her mind, those around her must find a way to reach her...and fast. Olivia Campbell is used to getting what she wants, when she wants it. But destiny never asked Olivia what she wanted. Being Chosen to be a Paladin at birth had not been something she wanted, and she definitely hadn't wanted her charge to be Anastasia. Unfortunately their irritatingly persistent Atlantean guide, Sebastian, seems to know all about her and the secrets she's been hiding. As she fights to protect Stasia from an unknown force, Olivia's own courage and loyalty will be tested in ways she never imagined. Will she be able to tell Stasia the truth before it's too late for them both?
