**A Guest In My House** David M Guddy Jr.

A Guest in my House, this title is about having a guest or ghost-spirit in your house with you. It may take some time to figure this out, as you hear voices from nowhere, or see shadows lurking around with no explanation, maybe there are spirits that didn't cross over or lost. In this book many questions will be answered. What happens the moment we die? Is there a light? Are angels and demons real? Is Lucifer real, can he appear? I collected the stories of spirits in my house and they explain exactly how they died and their personal experience, age, name, and year that they passed on. I also interviewed demons, angels, and yes, Lucifer, all real true stories, that I am sure you would love to read. This is a must read book that you just can't avoid to pick up.
