Children Learn What They Live: Parenting to Inspire Values Dorothy Law Nolte, Rachel Harris

Dorothy Law Nolte, a lifelong teacher and lecturer on family dynamics, presents a simple but powerful guide to parenting the old-fashioned way: instilling values through example. Dr. Nolte's inspiration is the celebrated poem she wrote in 1954. Written with psychotherapist Rachel Harris, each of the 19 couplets of the poem is developed into a chapter on jealousy, shame, praise, recognition, honesty, fairness, tolerance, and more. Positive, realistic, filled with a rare common sense, it is a book to help parents find their own parenting wisdom, and to raise children with a surer, steadier, more understanding hand.
