Time Out San Francisco (Time Out Guides) Editors of Time Out

San Francisco has rebounded nicely from the dotcom disaster, with tourism strong and getting stronger. And why not? At a compact 47 square miles, it's the most European-like, easily experienced major city in America. This illustrated guide gives readers all they need to know to maximize a visit. Independent critics choose the best — and most overrated — in accommodations, dining, and sights. There are also tips on informative walks, corner bars, the renowned gay scene, and even places to rediscover the city's glorious history of gold rush mining, beatniks, and hippies. A full feature on the nearby wine country is included.
