Over 450 databased studies and years of field testing attest to the effectiveness of the Microskills model in INTENTIONAL INTERVIEWING AND COUNSELING: FACILITATING CLIENT DEVELOPMENT IN A MULTICULTURAL SOCIETY! Available with an interactive CD-ROM (which can be packaged with the text), this hallmark text enables students of many backgrounds to master basic skills in a step-by-step fashion, thus rapidly empowering them to conduct a full interview using listening skills. Along the way, they are challenged to re-evaluate their current behaviors and perceptions, thus gaining valuable insight about themselves, their strengths, and the areas where they can develop further. By the time they finish reading the text, they will have the ability to adapt their skills to meet both individual and multicultural uniqueness, conduct interviews using five different theoretical approaches, and be well on their way to developing a personalized style and theory of interviewing and counseling that matches their own aptitudes and affinities.
