**Public Service Ethics; Individual and Institutional Responsibilities** James S. Bowman, Jonathan P. West  
The emphasis of this text is not only on "how to," but also "why", and the book offers readers practical knowledge and insight into ethics in government. To that end, the book is not about right and wrong answers. Rather it aims to understand ethics and human behaviour in an analytical, yet provocative manner by extending one's ordinary moral experience by making it explicit, clearer, and more consistent.
