Target: Caught in the Crosshairs of Bill and Hillary Clinton Kathleen Willey

Kathleen Willey's explosive new book details how her life was changed - and nearly destroyed - by Bill and Hillary Clinton. Target contains never-before-released details of the intimidation campaign launched to silence Kathleen...one way or the other. It provides new insight not just into the death of Kathleen's husband - on the same day that Bill Clinton assaulted Kathleen in the Oval Office - but into Bill's sexual addiction and Hillary's compulsive enabling, a dangerous combination with power. The Clintons' terror and harassment continue. Over 2007 Labor Day weekend, Kathleen's home was burglarized. Instead of taking jewelry or computers, the thief took the manuscript for Target, with its explosive revelations that could damage Sen. Hillary Clinton's presidential campaign. It was a break-in all too reminiscent of an earlier incident in which Kathleen was threatened by a stranger just two days before she was to testify against President Clinton in the Paula Jones sexual harassment case. It's deju vu all over again - and a timely reminder of how cunning and ruthless the Clintons' desire for power remains.
